

# Electronics Recycling Event FAQs

## What?

During the event, residents may drive up to the designated drop off area in the parking lot of Congregation B'nai Amoona and, with the help of MRC staff, drop off electronics for safe and responsible disposal.

## When?

Thursday, July 28, 2022, from 9:00 a.m. to 1:00 p.m.

## Where?

Congregation B'nai Amoona parking lot, 324 S. Mason Rd.

## Do I have to be a resident?

You must be a resident of St. Louis County. Please have proof of residency on hand (e.g., a driver's license or a copy of the Creve Coeur resident newsletter)

## What items are accepted?

Items free to recycle are listed on back. There is no limit on the number of items from this list that participants can drop off.

## Do any items cost money to drop off? (Negative-value items)

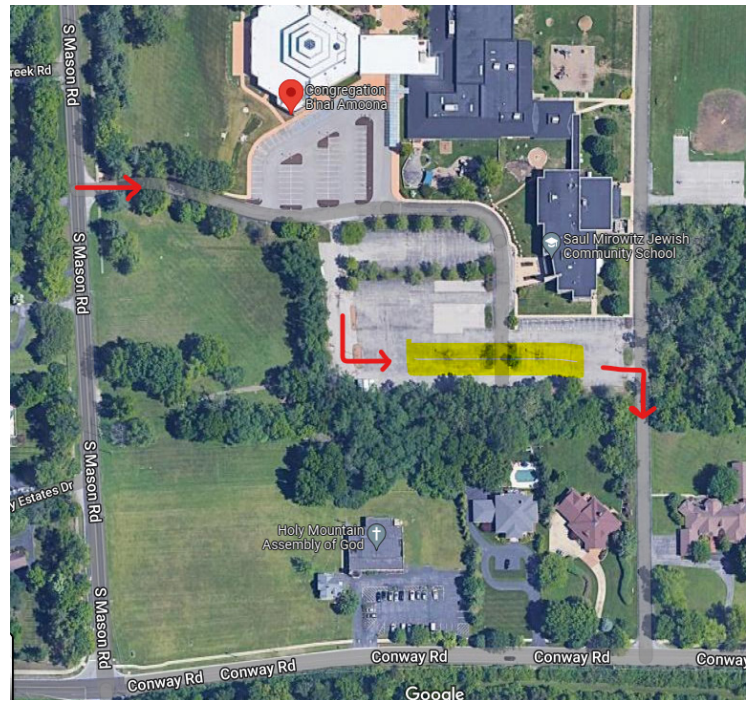

In the past, negative-value items had a fee. This year, negative-value items are funded by a grant from St. Louis County Department of Public Health utilizing County landfill surcharge funds.

Participants will not be charged for dropping off negative-value items until we reach our grant maximum.

Limit two negative-value items per vehicle. See list below:

- CRT (Cathode Ray Tube) TVs 26" or less: \$30.00
- CRT (Cathode Ray Tube) TVs 27" or greater (This includes Console TVs, True Big Screen TVs and Projection TVs): \$50.00
- Flat Screen TVs - All sizes (LED, LCD, and Plasma): \$20.00
- Freon Containing Items (Freezers, Refrigerators, AC Units, Dehumidifiers, etc.): \$10.00
- Tanning beds with lamps: \$150
- CRT Computer Monitors: \$5.00 each

The above items are free to drop off until we hit our grant maximum funding. Once the grant funding is spent, charges will incur. Cash or check is accepted.

## What items are NOT accepted?

Alkaline batteries, VHS tapes, cassette tapes, floppy disks, CDs, DVDs, ink/toner cartridges, lightbulbs and thermostats.

## I can't attend this event. Are there other options for electronics recycling?
