City policy requires an applicant, when a bona fide job offer has been made, to pass a physical examination (at the City's expense) and be certified by the City's physician as fit to perform the duties of the position. The pre-employment examination for all candidates includes a drug screen. Failure of the applicant to consent to these inquiries and tests, and depending on the position, a credit check and background check, and skill and other applicable tests, will disqualify the applicant from present and future employment consideration by the City.

Federal law requires that the City hire only United States citizens and lawfully authorized alien workers. If you are selected for a position with the City of Creve Coeur, you will be required to comply with the requirements of the Immigration and Naturalization Act of 1986. This law requires you to present documentation of your identity and eligibility to work in the US and to complete a federal I-9 form. This form must be completed on the first day of employment for all employees.

It is the policy of the City of Creve Coeur not to discriminate on the basis of race, color, religion, national origin, ancestry, sex, gender, gender identity, sexual orientation, age, disability or familial status, or other status protected by law except where specific age or physical requirements constitute a bona fide occupational qualification. The job duties will be reviewed with you to determine your ability to perform the essential functions of the position.
