

COVID-19

MUNICIPAL COURT PUBLIC SAFETY MEASURES

ADMINISTERING JUSTICE
IN A SAFE AND
ACCESSIBLE
ENVIRONMENT

SAFETY PROCEDURES IN PLACE

The Judicial and Administrative staff at the Creve Coeur Municipal Division want you to know that you are our biggest concern. As we move thru this pandemic, our court will continue to modify operations to ensure that all our activities, court nights, trials and daily operations are conducted with your safety in mind.

Social Distancing and Stop the Spread

Throughout our facility you will find information posted reminding visitors to practice social distancing guidelines and ways to assist in stopping the spread of COVID-19. Please watch for signage and obey posted precautions as a courtesy to fellow community members.

Facility and Staff

The staff at this facility constantly review CDC, state and local health department guidelines and make every effort to ensure our facility is periodically disinfected and procedures are adjusted to follow suggested guidelines. You will find additional hand sanitizing stations throughout our facility, social distancing floor markings have been added, additional signage has been created and **all** of our court operations are located in a single lower level to lessen your contact with others visiting the Government Center. Court parking is located at the rear of the building and the court door entrance is marked. Please refrain from entering the City Hall portion of the building.

COURT SESSIONS

If you have been to our court before or are coming for the first time, please know that we have changed the way we conduct business. Additional court sessions and times have been added to allow for social distancing during court sessions. During this period of adjustment, current court dates are subject to change. If your court date changes, you will receive a notice with a specific date and time in which to appear which may differ from the date on your ticket. We ask that you please appear at the time specified on your notice so that we may keep our attendance numbers within guidelines and to avoid long wait times as entrance numbers may be limited. You may also view your current court date on either of our public access websites – the exact site depends on when your ticket was issued so please view the access your ticket information on our website. Finally, just as the course of the COVID-19 outbreak constantly changes, so may our procedures, so please check back often!
